ON THE BOARDS: *new finds, old favorites*

GUEST CURATED BY ERIN LOECHNER

E

Erin Loechner, the woman behind the ever creative, *Design for Mankind*, truly knows how to unearth the internet's treasures. Drawing inspiration from every nook and cranny, her treasures range from product, photography, design and art installations. With a design blog that feeds current trends and styles to the masses, there's no wonder why we have asked Erin to chime in on some great design picks for a summer of romance! designformankind.com
